RE: Antidumping duty scope determination on multilayered wood flooring from the People's Republic of China (A-570-970).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Dunhua City Jisen Wood Industry Co, Ltd. ("Dunhua Jisen"). Commerce issued a final scope determination on 04/04/2016 that Dunhua Jisen's two-layered wood flooring products, specifically, product nos. JS-2L1602, JS-2L1603, and JS-2L1604, which Dunhua Jisen exports, are not within the scope of the antidumping duty order on multilayered wood flooring from the People's Republic of China ("PRC") (A-570-970).
2. Commerce determined that Dunhua Jisen's two-layered wood flooring products, listed as product nos. JS-2L1602, JS-2L1603, and JS-2L1604, are outside the scope of the order because they lack the required number of layers or plies of wood veneer in combination with a core. Therefore, Dunhua Jisen's two-layered wood flooring products, listed as product nos. JS-2L1602, JS-2L1603, and JS-2L1604, are not within the scope of the antidumping duty order on multilayered wood flooring from the PRC.
3. For all entries of multilayered wood flooring not within scope that remain unliquidated on or after 05/26/2011, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to Dunhua Jisen's two layered flooring products listed as product nos. JS-2L1602, JS-2L1603, and JS-2L1604 as described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Dunhua Jisen's two-layered wood flooring products listed as product nos. JS-2L1602, JS-2L1603, and JS-2L1604, entered, or withdrawn from warehouse, for consumption on or after 5/26/2011.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is

subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of multilayered wood flooring from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

8. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OI:MJK.)

9. There are no restrictions on the release of this information.

Alexander Amdur
